..

ELIGIBILITY

- **Content Quality:** Your podcast should have engaging content that resonates with your target audience. This includes having a clear niche, well-researched topics, good production quality, and an engaging delivery style.

QUALITATIVE CRITERIA

- **Engagement:** Measure how well the influencer connects with their audience. This includes factors like listener interaction, comments, and social media engagement.
- **Authenticity:** Authenticity is crucial in the podcasting world. Look for influencers who genuinely believe in the content they're..

JUDGING CRITERIA

- **Content Quality:** Evaluate the overall quality of the content, including its relevance, depth, and entertainment value. Consider aspects such as storytelling ability, research, and production value.
- **Engagement:** Measure the level of engagement with the audience, including listener interaction, feedback, and community building. Look for podcasts that actively involve their audience through various channels like social media, Q&A sessions, or listener polls.
- **Audience Reach:** Assess the size and demographics of the podcast's audience. Consider metrics such as the number of downloads, subscribers, social media followers, and website traffic. A larger and more diverse audience indicates a higher level of influence.
- **Consistency:** Evaluate the consistency of podcast ..

METRICS

Metrics Criteria	Current Year	Previous Year
<ul style="list-style-type: none">• Audience Size: The number of subscribers, downloads, or listeners per episode is a primary metric. A larger audience indicates wider reach and potential influence.
